JOB TITLE: Sonographer
DEPARTMENT: Radiology at Morningside
REPORTING TO: Chief Radiographer

ROLE SUMMARY:

A Sonographer performs diagnostic procedures using sonographic equipment. Their duties include preparing patients, explaining the procedure to the patient and performing the procedure.

KEY WORK OUTPUTS AND ACCOUNTABILITIES:

- Manage and operate the daily operations and supervision of the radiology ultrasound departments
- Explain ultrasound procedures to patients, record relevant medical history, and reconcile and collect required data.
- Bookings for radiography procedures, etc.
- Picking up/receiving job cards for radiological duties,
- Radiological duties – An ultrasound scan of the patient, report findings to Radiologist, etc.
- Assisting Radiologists with procedures as required,
- Receiving patients from reception,

- Perform various technical procedures requiring independent judgment with ingenuity and initiative.
 - A professional demeanour whilst performing all exams, general and vascular.
 - Work with other technologists and radiologists to perform procedures with quality images
 - Assisting patients from reception to change rooms and various scanning/x-raying rooms and back again,
 - Positioning of patients for procedures to be done,
 - Quality assurance of procedures done,
 - Contributing to the efficient running of the department, keeping it clean and organised.
 - Routine daily equipment checks; if there are technical problems, report them to the departmental head.
 - Administrative duties as required - answering telephones, making bookings, following up on reports, printing and labelling x-ray results/scans, etc.
 - Capture optimal images to complete detailed written reports for radiologists to interpret
 - Other ad hoc duties as reasonably expected by Chief Radiologists and the Practice.
-

EDUCATION

- National Diploma in Diagnostic Radiography with BTech Ultrasound or BRad. Ultrasound.
 - Registration at the HPCSA
-

WORK EXPERIENCE

- Previous experience in sonography is essential.
 - Capacity to implement and maintain health practice standards required by accredited bodies and appropriate health legislation.
 - At least one year's experience as a Sonographer.
-

KNOWLEDGE

The ability to set high-performance standards for self and others and assume the overall responsibility and accountability for the successful completion of assignments or tasks.

APPLICATION PROCESS

Dr's Bloch and Partners is an equal-opportunity employer. The Company's approved Employment Equity plan and targets will be considered as part of the recruitment process aligned to the practice's Employment Equity strategy.

Interested candidates who meet the above criteria must e-mail a detailed CV to CBreedt@sandtonxray.co.za.

Please note:

- Reference checks for internal applicants will be conducted with the applicant's current and past direct line managers. Therefore, employees are encouraged to discuss internal job applications with their direct line manager to ensure that the line manager is aware of the application.
- The terms and conditions of employment relating to the function you have applied for will be based on those in the Division you will be employed.
- If a candidate has any disability that may impair the individual's ability to perform the job function, the candidate must kindly inform the employer so that an assessment for reasonable accommodation can be made.
- By applying for this position and providing us with your CV and other personal information, you consent to the data being used for the specific purpose for which it was provided, which is recruitment and possible appointment purposes (should you be successful).
- Please note that your information will be processed for recruitment purposes only or for such purposes relating to assessing the establishment of an employment relationship with yourself, and this will be done in accordance with the applicable data protection and privacy legislation. We confirm that such information will not be used for any other purpose without obtaining your consent.
- If your application is unsuccessful, we retain your CV and other information provided on our electronic system. If you object to your data being used in accordance with the clauses above, please indicate your objection, and we will immediately securely destroy your personal information.
